Disclosure:

“The health care price listed for any given health care service is an estimate. Actual charges for the health care service are dependent on the circumstances, including any complications or exceptional treatment, at the time the service is rendered.

If you are covered by a dental plan, you are strongly encouraged to consult with your insurer to determine accurate information about the benefit for a particular health care service provided at this office. If you are not covered by a dental plan, you are encouraged to contact our billing office at 303-530-4145 to discuss payment options prior to receiving a service from a provider at this office, since posted dental fees may not reflect the actual amount of your financial responsibility.”
